

## MACHINE SHOP / TOOL ROOM

For 20 years, **DepotStar, Inc.** has supported the following industries:

- Aviation and Aerospace
- Automotive
- Banking
- Beverage Service Providers
- Computer
- Industrial
- Medical Device Manufacturers
- Military and Defense
- Printing
- Recreational Vehicle
- Original Equipment Manufacturers (OEM)
- Third Party Maintenance Organizations

We are a high precision, close-tolerance machine shop offering services from traditional and custom designed one-offs to high volume CNC production runs. We manufacture from your prints/designs or our custom 3D models created by in-house design staff (SolidWorks/GibbsCAM).
